With so many awesome organizations assisting families in need, what makes Family Promise different? We are the only organization that assists fathers or families with fathers and teen boys that are unsheltered! We provide shelter, financial assistance to stay in housing, finding jobs, and improve parenting skills, and more. We are also building a permanent shelter on Cooke Street in partnership with Good Samaritan.

Last year we served 227 families with 455 children, and this does not include Broadwater County!

We are estimating at least 1,000 people will attend our fundraiser. Participants will taste samples from restaurants and some of our wonderful, local faith congregations!
